FOOTAGE BETWEEN SCENES

INSERT SHOT

television coloured rain
in the middle of december

FRAME HOLDS TOO LONG

a flooded parking lot
with a payphone

the receiver

crusted white
from the salt water

CAMERA FAILS TO ADJUST

a cord knocks
in the wind

metal on metal

silence

the ringing continues
underwater

CUT TO

the figure
appearing only during cuts
behind the ice machine

CLOSE UP

the figure
appears closer now

AUDIO ARRIVES EARLY

a vending machine hum
and ferry horns
somewhere offshore

FREEZE FRAME

the payphone still ringing
beneath the floodwater
the ferry still cries
after the screen blacks out
